

<第7回 Asia Pacific Society for Molecular Immunohistology (APSMI) のお知らせ>

インドネシア バリ島へのお誘い

国際医療福祉大学三田病院 長村義之 (Founding member of APSMI)

日程： 2012年 5月23-25日

会場： Mercure Resort Sanur - Bali 島、インドネシア

ホームページ： <http://www.apsmi.org/> (演題申込・参加登録はホームページから)

※ 参加登録、演題申込みの期限が延長(4月30日)されました！

8年前に Brisbane での IAP Congress 際に、永年の知己であったオーストラリア Newcastle の Anthony Leong と中国 Shantow の Jian Gu と私の3名で本学会の launching Committee Meeting を開催し、翌年から学会の開催の運びとなり、今年が第7回を数えることになりました。本学会発展に灌漑深いものを感じます。残念なことに創立者 Founding member の一人であった Anthony Leong が昨年2月に急逝されました。昨年1月の APSMI は彼の赴任先の Malaysia Kuala Lumpur の郊外の素晴らしいリゾートで開催され、その時の Tony はいつもと変わらない(少なくとも外見には)元気な様子でした。今回の学会初日には、本学会長である Pongsak Wannakrairot(2014年 IAP Congress Bangkok の会長)のおはからいで Tony Leong Memorial Lecture を私がさせていただき、その後で亡き Tony を偲ぶ Event が企画されています。また、ホームページで素晴らしいプログラムをご覧ください。日本を含めたアジア各国のエキスパートの特別講演など充実したプログラムが組まれています。

開催場所は、下記にもありますようにインドネシアのバリ島です。素晴らしい場所で、“良く学び、良く遊び”ませんか？ 演題抄録申し込みは4月30日までに延期になりました。既に演題登録されている方は早目の参加登録 registration をお願いいたします。

Conference venue Mercure Resort Sanur - Bali, Indonesia

The 7th Annual Scientific Meeting
"Asia Pacific Society for Molecular Immunohistology"
Mercure Resort Sanur - Bali
23 - 25 May 2012

Dear Colleagues, Pathologists & Scientists

The Organizing Committee of the Seventh Annual Scientific Meeting of APSMI which will take place in Bali, Indonesia from 23-25 May 2012 cordially invites you to attend the meeting and to submit abstracts for poster presentation. Please see attached program, registration form, membership application form, abstract form, and hotel booking form. We very much look forward to your contribution to a successful meeting.

Prof.Pongsak Wannakrairot, MD

President of APSMI

Evlina Suzanna, MD

Chairperson the 7th Annual Meeting

Invitation By The Conference Scientific Chair :

Dear colleagues,

The next 7th APSMI Annual Scientific Meeting which will be held in Bali, Indonesia, in 23-25 of May 2012, is the first meeting without the presence of the APSMI Founder : Professor Anthony SY Leong ; who was our beloved teacher, friend and colleague. It is a big lost to us, but we have to continue to maintain his spirit by improving pathology through APSMI. In the next meeting, we cordially invite all pathologist, oncologist, scientist and researcher who are interested in immunohistology and molecular pathology to share knowledge and experiences. A special session will also be conducted in memoriam of Professor Anthony S-Y Leong on his very important contribution in Pathology. The scientific program will cover Soft tissue sarcoma, Breast tumor, Lymphoma, Leukemia, Neuroendocrine and Dermatopathology presented as lectures, slide seminars, case study, and wet workshops. Lastly we hope that all colleagues will come to take part in this very special event.

Endang SR Hardjolukito, MD, MSc

TENTATIVE PROGRAM

Time	Title	Speaker	Description
Day I, Wednesday May 23rd 2012			
08.00 - 09.00	Re- Registration	Prof. Pongsak Wannakrairot (Thailand)	Greetings
09.00 - 10.00	Opening	Prof. Robert Y Osamura (Japan)	- Anthony S-Y Leong Memorial Lecture and Poster of his work - Short speech or share the memories from close friends - All participants to stand up for 1 min to memorize him
SESSION 1 : Soft Tissue Sarcoma Convenor : Prof Scott Nelson (USA)			
10.00 - 10.45	Plenary lecture (PL1-1)	Prof Scott D Nelson, MD (USA)	Soft Tissue Sarcoma (Spindle cell type and small round cell tumor / Pediatric malignancy)
10.45 - 11.00	Coffee break		
11.00 - 11.30	Pathology update	Prof Shahid Pervez (Pakistan)	Pathology of vascular tumor
11.30 - 12.30	Technical Update	Dr Sven Hauke (Germany)	Theoretical background of the CISH and FISH Techniques
12.30 - 13.30	Lunch		Lunch Symposium
13.30 - 14.30	Dry Workshop	Dr Sven Hauke (Germany)	Application of CISH in selected Soft Tissue Sarcoma Cases
14.30 - 16.30	<u>Interpretation</u> and Discussion	Prof Scott D Nelson, MD (USA) Nurjati Chairani Siregar, MD, MSc, PhD (Indonesia) Sjahjenny M, MD (Indonesia)	-Soft Tissue Sarcoma cases (sample cases from each region) -Discussion of selected cases.
18.30 - 21.00	Dinner (Welcome Party)	All Participants	Free
Day II, Thursday May 24th 2012			
SESSION 2 : Dermatopathology Convenor : Mahmud Ghaznawie (Indonesia)			
08.30 - 09.15	Plenary Lecture (PL 2-1)	Prof. Noppakhun, MD (Thailand)	How to discern the nuance in skin diseases ?
09.15 - 10.00	Clinical Update	Prof dr Made Swastika Adiguna SpKK(K)	Clinical features and Management of Vesicobulvous lesion of the skin
10.00 - 10.30	Clinical Update	Prof. Noppakhun, MD (Thailand)	How to approach vesiculobullous disease ?
10.30 - 10.45	Coffee Break		
SESSION 3 : Neuroendocrine tumour Convenor : Robert Y.Osamura (Japan)			
10.45 - 11.30	Plenary Lecture (PL 2-2)	Prof. Robert Y Osamura, MD (Japan)	The spectrum of Neuroendocrine tumour
11.30 - 11.55	Pathology Update	Prof.Osamu Matsubara (Japan)	Pathology of Pumonary Neuroendocrine Tumor
11.55 - 12.20	Pathology Update	A/Prof RyoheiKatoh (Japan)	Surgical and Molecular Pathology of Thyroid Tumor
12.20 - 12.30	Q & A		

12.30 - 13.30	Lunch Symposium	Prof Sunil Badve (USA)	Classification of breast cancers , molecular or histologic ?
SESSION 4 : Breast Cancer Convenor : Prof.GaryTse (Hongkong)			
13.30 - 14.15	Plenary Lecture (PL 2-3)	Prof Michael Bilous (Australia)	Molecular Markers in Breast Cancer
14.15 - 14.45	Pathology update	Prof Yamaguchi (Japan)	Basal 像ike Breast Cancer
14.45 - 15.30	Pathology update	Dr. BethyHernowo, PhD (Indonesia)	Triple-negative Breast Cancer
15.30 - 16.00	Pathology Update	Prof Gary Tse (China)	Immunohistochemistry in borderline breast lesions
16.00 - 17.00	Case Study		Panelists:Tse, Bilous, Yamaguchi
17.00- 18.00	Presentation of Nominated Anthony SYLeong Poster Award		
19.00	Cultural Night	All Speakers (Free), Participants (20 USD)	
Day III, Friday May 25th 2012			
Session 5 : Lymphoma Convenor : A/Prof.TanSoo Yong (Singapore)			
08.00 - 08.45	Plenary lecture (PL 3-1)	Prof KoYoung-Hyeh (Korea)	Pathology of gastrointestinal tract lymphomas
08.45 - 09.30	Plenary lecture (PL 3-2)	A/Prof Tan Soo-Yong (Singapore)	Pathology of cutaneous lymphomas
09.30 - 09.45	Coffee break		
09.45 - 10.05	Slide Seminar (SS 3-1)	Endang SR Hardjolukito, MD, MSc (Indonesia)	Lymphoma cases
10.05 - 10.25	Slide Seminar (SS 3-2)	Prof PongsakWannakrairot (Thailand)	Lymphoma cases
10.25 - 10.45	Slide Seminar (SS 3-3)	Prof PehSuat-Cheng (Malaysia)	Lymphoma cases
10.45 - 11.05	Slide Seminar (SS 3-4)	Prof KoYoung-Hyeh (Korea)	Lymphoma cases
11.05 - 11.25	Slide Seminar (SS 3-5)	A/Prof Soo-Yong Tan (Singapore)	Lymphoma cases
11.25 - 13.15	Friday Prayer Lunch		
Session 6 : Leukemia Convenor : Evlina Suzanna, MD (Indonesia)			
13.15 - 14.00	Plenary Lecture(PL 3-3)	Prof.PongsakWannakrairot, MD (Thailand)	Histopathology Diagnoses in Leukemia
14.00 - 14.30	Pathology Update	A/Prof Daisuke Niino (Japan)	Adult T-cell Leukemia/Lymphoma
14.30 - 15.00	Technical Update	Lyana Setiawan, MD (Indonesia)	Cytogenetic Examination of Leukemia
15.00 - 15.30	Clinical Update	Ronald Hukom, MD (Indonesia)	Management of Leukemia
15.30 - 17.00	Closing Ceremony	Organizing Committee	Anthony SY Leong Poster Award
